

PIXLIGHT

The logo for PIXLIGHT, with 'PIX' in red and 'LIGHT' in black, is positioned on a white horizontal bar. The background of the entire page is a close-up, slightly blurred view of an elevator cab interior, showing metallic panels and a blue emergency stop button with a white symbol.

PIXLIGHT, una cabina leggera ed essenziale, nella forma e nella sostanza.

Le più moderne tecnologie utilizzate per la produzione rendono PIXLIGHT la più leggera e robusta cabina per ascensori mai prodotta.

È realizzata con una struttura interamente in alluminio. Le pareti possono essere realizzate con struttura alveolare in alluminio rivestito in laminato plastico oppure con pannelli in vetro, trasparente o SECURCOLOR per un effetto di grande pregio.

La vasta scelta delle finiture garantisce oltre 1200 combinazioni possibili e consente un'integrazione "in stile" in qualsiasi ambiente.

PIXLIGHT, a light and essential cab, in shape and substance.

The most modern production technologies make PIXLIGHT the lightest and strongest elevator cab ever manufactured.

The cab structure is fully made of aluminium. Walls can be produced with aluminium honeycomb structure coated with plastic laminate or with glass panels, transparent or SECURCOLOR for a high impact effect.

The wide finishes choice offers more than 1200 different combination and enables a "stylish" integration with any environment.
